

Focus On Technology Sponsorship

EDGESeries2021

Each of the eight EDGESeries programs in 2021 address a unique topic facing various government missions. To see the 2021 calendar, click [here](#). Each program features a presentation from an SME and a sponsored brief from a GBEF member company called “Focus on Technology”. This sponsorship provides visibility in a variety of ways:

PRE-EVENT

Opportunity to invite 2 guests (in addition to their members)
